

Wolf Marshall's **GUIDE TO C-A-G-E-D**

The C-A-G-E-D System is a useful method for organizing all styles of music on the guitar. It is based on five essential guitar chord forms found in the first position: C, A, G, E and D.

The C-A-G-E-D System provides a simple way of grouping melodies with their related chord shapes. That is useful for understanding the physical structure of guitar harmony, hearing note-to-chord relationships, and using chords and licks purposefully in your music.
